Our very own 'High School Star'

On Tuesday 24th June 2014, one of our Whitworth Community High talented dancers, Brooke Gosling, competed in the competition 'High School Stars'. This was run by Accrington and Rossendale College, and included nine spectacular acts from nine local schools. Brooke danced with beauty and style to the popular song 'Stay with me' by Sam Smith. She dazzled the judges which included 3 professionals, and managed to secure an amazing 2nd place. Well done Brooke!

A Magnificent 7!

Monday 23rd June was a very successful day for our Y7 and Y8 football team of: Fabio Pacheco (captain), Lucas Brame, Nathan Craig, Harry Earnshaw, Jordan Francis, Ben Harrison, Kalem Knowles, Kira Lowe and Curby Newsham, who played All Saints at Fearn to win a place in the Lancashire finals of the PAN Games in Blackpool next week – a tournament which will involve teams representing each area of the county.

A mixture of confidence and excitement combined before the match which was played 9-a-side. The last minute change from 7-a-side meant all our players played the full match. In goal to start was Harrison who came out in the second half to be replaced by Craig who had played an excellent first half in right midfield.

Lowe opened the scoring, set up by Pacheco, with a shot which hit the post and went in. Pacheco scored next with a half volley before Lowe - the only girl on the pitch - got her second of the match. Pacheco's second was set up by Newsham who chipped it up for him to head in to give Whitworth a half time lead of 4-0.

In the opening minutes of the second half, an energised Francis scored from one of Harrison's great passes and a great shot from Brame went just wide. Later in the half, Harry 'bulldozer' Earnshaw drove his way past several players, some (sensibly) moved aside, but others were left lying on the grass in his wake. He passed to Knowles who put a clever ball through to Newsham who hit the post and scored. Harrison's late goal looped over 5 players from the half way line before lobbing over the keeper to make it 7-0. 'Bulldozer' Earnshaw was awesome in defence, denying All Saints many shots on goal, and the team declared him their man of the match in what was a great team performance.

Good luck for next week in Blackpool!

The 'bake' for life

Whitworth students Kayleigh Jones and Zoe Wright are running the Race for Life next month and felt they should try to raise even more money by holding a charity 'Bake Sale'. They never expected to raise the final total of £187.57 and are thankful to everybody that took part and helped them to raise this amount. Cancer Research is a charity close to their hearts and they are overjoyed to be involved.

Bespoke blazers!

All students have been measured for blazers this week, with anyone who missed their appointments being seen on Y6 Welcome Day. The blazer company complimented the school on the excellent behaviour and politeness of our students and the slick organisation of the procedure.

Mayoral coffee morning

A Mayoral visit took place at Whitworth Community High School last week, with the Mayor and Mayoress of Whitworth and the Mayor and Mayoress of Rossendale touring the school. During their visit, they took the opportunity to meet our new senior prefects who were modelling the new blazers. Both parties were extremely impressed with everything they saw in school and the calm, friendly atmosphere. Our next opportunity to meet with them will be at our Awards Evening where they are going to present some of the awards.
